

School Counselor and Administrator Training

The Use of Data in School Counseling

Hatching Results for Students, Programs and the Profession

Hatching Results® LLC

Proudly Presented by:

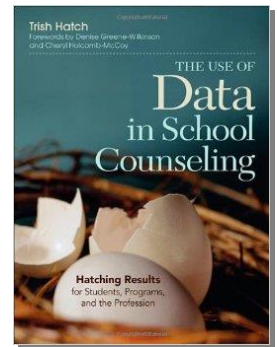

This workshop is designed to provide participants with the attitudes, knowledge, and skills to utilize data to design, implement, evaluate, and improve their school counseling program. Topics specific to administrators include hiring, use of time, and performance evaluation. Trish Hatch has trained thousands of people on the Use of Data and the ASCA National Model.

Who Should Attend? School counselors, administrators, and educators interested in efficiency, effectiveness, and school counseling program improvement.

Your Trainer:
Trish Hatch, PhD
